Message from our Chairman

HANI AL AZEM
CHAIRMAN

Saudi Biga Company LTD
Modern Architecture Contracting Company LTD
Facility Management Branch

Dear Partners and Team Members,

It is with great pleasure and pride that I address you as the Chairman of our esteemed group of construction and facility management companies. Our journey has been marked by an unwavering commitment to excellence, integrity, and innovation, and I am grateful for the dedication and hard work of each member of our team. At our group, we strive to deliver exceptional projects and services that not only meet but exceed the expectations of our clients. Our focus on quality, customer satisfaction, safety, and sustainability has been the cornerstone of our success and reputation in the industry.

As we continue to grow and expand our operations in Saudi Arabia, I am excited about the possibilities and opportunities that lie ahead. Together, we have the talent, expertise, and passion to overcome challenges and achieve remarkable milestones. I extend my sincerest appreciation to our partners, clients, and employees for their trust and support. Your continued belief in our group inspires us to reach new heights and set new benchmarks for excellence.

Let us continue to work together with dedication, unity, and a shared vision for a prosperous future. Together, we will build a brighter tomorrow for Saudi Arabia and beyond.

Sincerely

Message from our CEO

AHMAD RAWASHDEH
CEO

Saudi Biga Company LTD

Dear Valued Stakeholders,

I am proud to lead our team at Saudi BIGA, a premier construction and telecommunications company in Saudi Arabia. Our commitment to excellence, innovation, and integrity drives us to deliver exceptional projects and services that set new standards in the industry.

We provide our clients with comprehensive turnkey solutions and peace of mind in transforming their vision into reality, aiming to be the most trusted and preferred construction partner in Saudi Arabia. We are recognized for our excellence in delivering innovative and sustainable projects that exceed client expectations.

We prioritize customer satisfaction, safety, and sustainability in all our endeavors. By leveraging our expertise, embracing cutting-edge technologies, and fostering a culture of collaboration and professionalism, we always strive to exceed all client expectations.

As we continue to grow and expand our presence in Saudi Arabia, we remain dedicated to upholding the highest standards of quality and ethics. We are grateful for the trust placed in us by our clients, partners, and employees, and look forward to forging new partnerships and achieving greater milestones together.

Thank you for your continued support and trust in Saudi BIGA. Together, we will build a brighter future for Saudi Arabia.

Sincerely

About Saudi Biga

Saudi BIGA is a leading construction company based in Saudi Arabia, established in 1998 with the aim of contributing to the Kingdom's economic growth and development, particularly in Building Construction, Infrastructure, MEP & ELV, Telecommunication, and Pools/Fountains/Water Treatment.

With a strong focus on quality, innovation, and customer satisfaction, we have become a trusted partner for clients seeking exceptional construction solutions.

Vision & Mission

VISION

To be the premier construction company in Saudi Arabia, recognized for our commitment to excellence, innovation, and sustainable development, while creating value for our clients, employees, and the communities we serve.

MISSION

Our company provides added value construction services to our customers by creating lasting, successful partnerships throughout the construction process, transforming the Saudi Arabian landscape through advanced construction, MEP and engineering solutions, ensuring every project is executed with precision and quality for complete stakeholder satisfaction.

A hand in a dark suit sleeve points towards a digital data visualization background. The background features a grid of glowing blue and white lines, with a hand pointing towards the center. The overall aesthetic is futuristic and data-driven.

Digital Capabilities

Our company is equipped with advanced digital capabilities that transform the way we deliver projects. By integrating technologies such as:

- **BIM** - Building Information Modeling expertise
- **ERP** - Oracle full-fledged system
- **HSE** - Digital health, Safety, and Environmental management system

We ensure enhanced efficiency, real-time decision-making, and superior project outcomes.

Values

We are guided by a set of core values that define our culture and drive our success.

SAFETY

We prioritize the safety and well-being of our employees, clients, and the public in all our operations.

QUALITY

We are committed to delivering exceptional quality in every project, meeting and exceeding our clients' expectations.

ACCOUNTABILITY

We take ownership of our actions and decisions, holding ourselves accountable for the results we achieve.

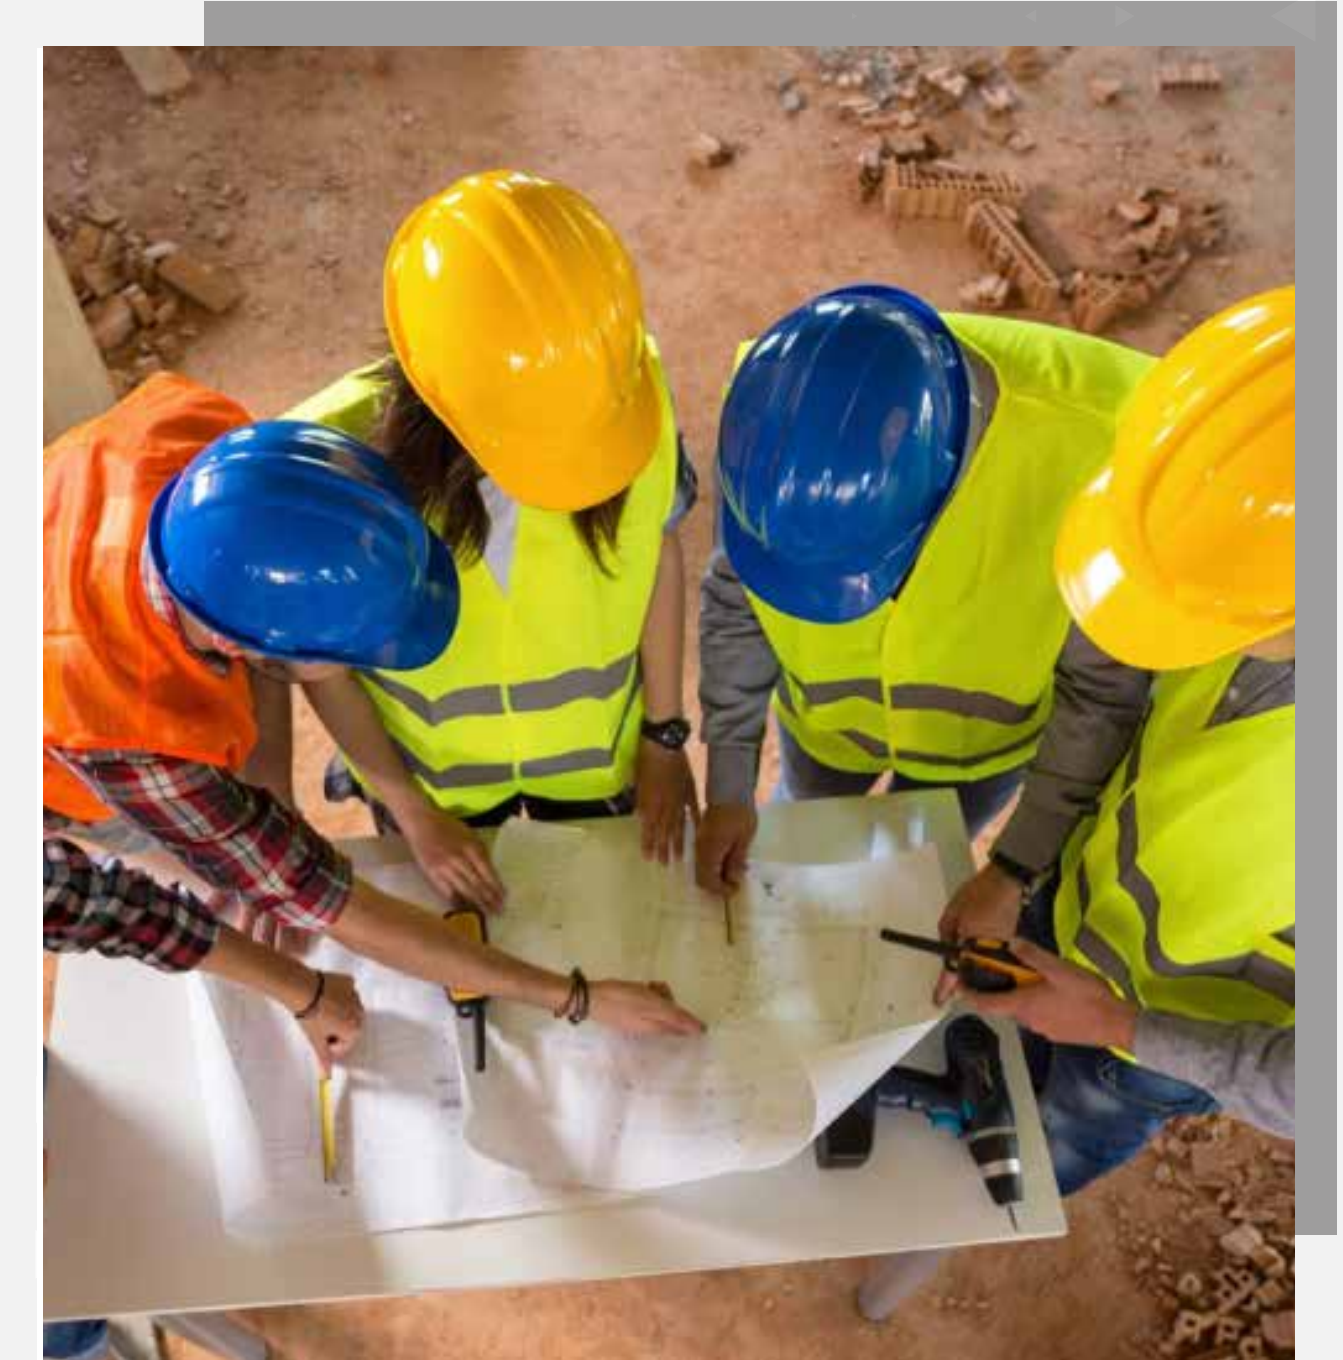

INTEGRITY

We conduct our business with the highest standards of honesty, ethics, and transparency, always doing the right thing.

CUSTOMER FOCUS

We put our clients at the center of everything we do, striving to understand their needs and deliver tailored solutions.

Sustainability

Sustainability is embedded in our project delivery approach, supporting Saudi Vision 2030 and long-term environmental and economic value.

Our commitment includes:

- **Environmental Responsibility:** Reducing waste, emissions, and environmental impact across construction activities.
- **Energy & Water Efficiency:** Delivering efficient HVAC, electrical, and water management systems.
- **Sustainable Engineering:** Applying smart design and modern technologies to enhance lifecycle performance.
- **Health & Safety:** Ensuring safe working environments and healthy buildings.
- **Compliance & Improvement:** Adhering to regulations and continuously improving sustainability practices.

Core Business Lines

.06

We offer a comprehensive range of construction services tailored to meet the unique needs of our clients. Our team of experienced professionals is dedicated to delivering exceptional results across various sectors from initial design to project completion and handover.

<p>Building Construction</p>	<p>Our expertise in construction covers a broad spectrum of projects reflecting our ability to manage both intricate and large-scale developments. We are equipped to handle diverse building and infrastructure requirements, ensuring precision and compliance throughout the project lifecycle</p>
<p>Infrastructure</p>	<p>We deliver comprehensive, end-to-end infrastructure solutions that shape resilient, future-ready communities across the Kingdom. Our expertise spans earthworks, wet and dry utilities, energy, water, and integrated networks, delivered through world-class engineering and executed to the highest standards of quality, safety, and sustainability</p>
<p>MEP & ELV</p>	<p>Our company offers comprehensive MEP solutions, integrating essential electromechanical and building services for construction projects. Since our inception in 1998, we have delivered fully engineered solutions, ensuring that all aspects of electromechanical systems are expertly managed throughout the project lifecycle</p>
<p>Telecommunication</p>	<p>We specialize in the implementation of telecommunication networks and electronic systems, ensuring seamless connectivity and functionality</p>
<p>Pools, Fountains & Water Treatment</p>	<p>Through our exclusive distributorship with PAPF - Purl Aquatics Inc. (USA), our company offers integrated design, supply, installation, testing, commissioning, and maintenance services for swimming pools, fountains, and water treatment systems across Saudi Arabia</p>

Subcontractors, Suppliers

Our expertise in construction covers a broad spectrum of projects, reflecting our ability to manage both intricate and large-scale developments. We are equipped to handle diverse building and infrastructure requirements, ensuring precision and compliance throughout the project lifecycle.

Bank Partners

Affiliates & Strategic Alliances

.13

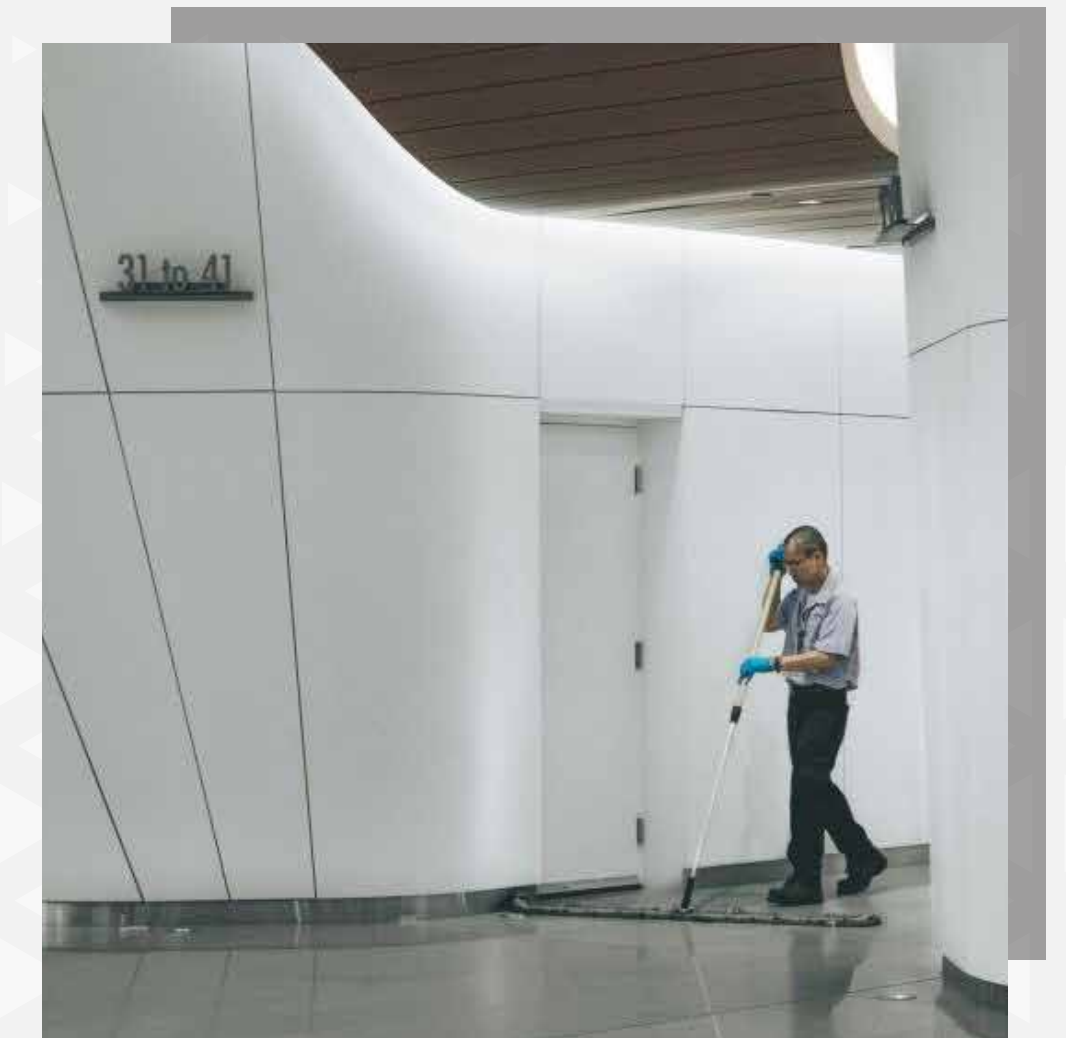

MACC CONSTRUCTION

MACC Construction, a sister company of Saudi Biga based in Riyadh, specializes in delivering high-end construction projects, backed by a team of experienced professionals, including engineers and architects. Holding a first-degree (A) classification from MOMRA, MACC has successfully executed major projects across Riyadh, Jeddah, and Neom, with a total built-up area exceeding 500,000 square meters and an estimated project value of 15 billion Saudi Riyal.

MACC FACILITY MANAGEMENT

MACC Facility Management, a sister company of Saudi Biga, focuses on providing exceptional facility management services tailored to high-end projects. Their dedicated team of professionals ensures that all facilities are maintained to the highest standards, enhancing the experience for clients and stakeholders alike. With a commitment to operational excellence, we strive to create environments that are not only functional but also conducive to the well-being of all users.

Affiliates & Strategic Alliances

SAUDICO GROUP

Saudico Group operates as a strategic partner to Saudi Biga, incorporating the esteemed Saudi Constructioners Company, a cornerstone of the construction industry since its inception in 1968. Recognized as a 'First' tier construction firm, Saudico has built a reputation for successfully executing a wide array of landmark projects throughout the Kingdom. Their steadfast commitment to quality, innovation, and client satisfaction is reflected in every project we undertake, ensuring that the expectations of our clients are not only met, but consistently exceeded.

Affiliates & Strategic Alliances

MIDDLE EAST MACHINES FACTORY

Middle East Machines Factory, in which Saudi Biga holds a significant stake, is dedicated to producing high-quality machinery for various industrial applications. Located in Riyadh, our factory focuses on enhancing operational efficiency through innovative equipment designed to meet the evolving needs of the construction sector and beyond. By delivering reliable machinery, we empower our clients to optimize their operations and achieve their project goals effectively.

HANI ALUMINUM FACTORY

As a fully owned subsidiary of Saudi Biga, Hani Aluminum Factory focuses on manufacturing high-quality aluminum products tailored to our clients' specific needs. The Hani Aluminum Factory, known for its reliable production capabilities and advanced manufacturing processes, is dedicated to quality and innovation, being central to its role in supporting construction and industrial projects.
